Kapan Marg, Kathmandu, Nepal

Trishuli River Rafting

Trishuli River originates from Gandaki river system and mixes with other rivers like Bheri River, Marsyangdi River and Seti River as it flows ahead. The put-in point for Trisuli River Rafting/Kayaking is located just 3 to 3.5 hours' drive west of Kathmandu, which makes it an excellent choice for short trips, or for those who are en route to Pokhara or Chitwan National Park. Whitewater rafting on this river can be organized as side trip after or before the trek or tours in Nepal. It will allow you to test true magic of the Himalayan flow with complete retreat for your body, mind and soul. Along this short river rafting trip you have also good cultural experience of the countryside of Nepal enjoying the luxurious camps and wonderful off-river activities. Monsoon river rafting is the major attraction of Trisuli River.
